

**Health Requirements and Services
Immunization**

FFAB (R)

REQUIREMENTS	Student enrolled in the District must meet immunization requirements as listed in FFAB (Legal and the Exhibit).
PROOF OF IMMUNIZATION	A campus shall give a student 30 days to provide proof of immunization if they are transferring from another district, have begun the series, or state that they have an immunization record.
PROVISIONAL ADMITTANCE	<p>A student may be provisionally admitted or enrolled if the student has begun the required immunizations. The student must have an immunization record that indicates the student has received at least one dose of each age-appropriate vaccine specified in the regulations.</p> <p>Ten days after a student's registration where the proper immunization documents have not been provided, a campus health worker must contact the parents to verify that the student is receiving the required immunization or that the immunization records are forthcoming.</p>
FAILURE TO MEET REQUIREMENTS	<p>Failure to meet this requirement will result in a suspension of a maximum of three days and a conference with the parent and with the health care provider and or an administrator.</p> <p>On or before the three days suspension deadline, the student and the parent must return to school with proof of immunization or face another three days suspension. The Campus may report the parent and the student to attendance court and child protective services if they fail to meet the immunization requirement.</p>
