

NON-SCHOOL USE OF SCHOOL FACILITTIES

GKD (R)

USE OF SCHOOL ATHLETIC FACILITIES

The Board believes that Athletic Facilities should be available for legitimate athletic community purpose, particularly those athletic activities that serve the best interest of students. The District shall make its athletic facilities available to the community when there is no conflict with scheduled school athletic activities or events.

PROCEDURES

1. District athletic grounds and facilities will be made available as per the guidelines of District policy GKD (Local).
2. Applicant will fill out the Facility Use Request and Authorization Form GKD(R) FORM
3. Applicable fees may be charged to non-school related organizations.
4. Athletic Director and Site / Campus Administrator will ensure that applicant meets all required procedures as per the Facility Use Request and Authorization Form.
5. Athletic Director and Site/Campus Administrator will approve use of the grounds or facility and will send the Facility Use Request and Authorization Form to the Superintendent for final approval.
6. Superintendent or Designee will send copies of approved Facility Use Request and Authorization Form to all appropriate departments.

USE OF GROUNDS AND ATHLETIC FACILITIES.

1. Grounds and facilities will not be altered or modified from existing pristine condition
2. Continued approval for use of facilities is contingent upon care of grounds or facilities and the user's ability to abide by all laws and regulations pertaining to use of public property.
3. The District reserves the right to review any prior agreement due to changes in the District's need to utilize any of its athletic grounds or facilities.
